My dog used to chase people on a bike a lot. It got so bad, finally I had to take his bike away

“Mom, the kids keep making fun of me, they keep laughing that my teeth are too big!” -  
“Oh Jamie, never mind them and how many times do I have to ask you to try not to speak indoors, look, you’ve scratched the whole floor again!”

The other day, my wife asked me to pass her lipstick but I accidentally passed her a glue stick. She still isn't talking to me.
