WELCOME TO THE MAY TRARALGON FARMERS' MARKET

The Weather was kind to us last month and sales were up on the average. Let's hope for more of the same today - sunny, we hope! Forecast is for areas of morning fog and frost, mainly sunny with temps from 5° to 18°C. Light breezes - sounds good?

Have a good day ... Fred, Geoff, Kevin & the team

WHERE DO YOUR STALL FEES GO?

With the end of the Lion's year coming to an end soon, some of the donations made so far this year include:

- Micks Kitchen
- The Gippsland Emergency Relief Fund
- Lion's Licola camp for disadvantaged children
- Girl guides.

these are but a few of the many donations that we have made from your Stall Fees

We thank you all for your continued support with the Market for without it we would not be able to help these organizations.

All Lions volunteer their time - I Thank them all. Fred

KNOW YOUR PRODUCT

Please make sure that what you are selling is nothing but the freshest and best produce. If it isn't up to standard - don't sell it! **We have had some complaints.**

We are a Farmers Market and customers expect the best from us. If you have product hanging round that is not selling, maybe it is time to change. See Fred or Geoff with your new ideas and as long as it doesn't conflict with other stallholders, we will be okay with it, but you must let us know.

Fred will talk to the stalls that we have received complaints about today.

**** IMPORTANT ****

Last month we reminded you about your application to our market and the importance of sticking to what you said you were going to sell (NOTE: see the panel 'Know Your Product' at left).

You **MUST** be set up by 7.45am and you **CANNOT** leave before 1pm. This is important if for no other reason than customers are wandering the market and we do not want any accidents between vehicles and people.

PLEASE read the Charter - see Geoff if you need a copy to peruse.

HEALTH AND SAFETY REMINDERS

NO WEIGHTS NO STALL - YOU WILL BE ASKED TO TAKE YOUR MARQUEE DOWN.

All electrical leads **MUST** have a current test tag attached.

All gas appliances must be checked for leaks etc. before use.

OUR MARKET IS SMOKE FREE
enforced by Council By-Laws Officers.

I'm starting to think I will never be old enough to know better.

I always new I would get old. How fast it happened was a bit of a surprise , though.

I can't believe how old people my age are.
